WASHINGTON, D.C. 20268-0001

NOTICE OF PRICE ADJUSTMENT  
(TECHNOLOGY CREDIT PROMOTION)

Docket No. R2013-6

**JOINT MOTION OF THE NATIONAL ASSOCIATION  
OF PRESORT MAILERS, THE ASSOCIATION FOR MAIL ELECTRONIC ENHANCEMENT,  
THE NATIONAL NEWSPAPER ASSOCIATION, THE MAJOR MAILERS ASSOCIATION,  
THE NATIONAL POSTAL POLICY COUNCIL, AND IDEALLIANCE  
Supporting Response to Order Extending Deadline for Comments  
(May 03, 2013)**

On May 2, 2013, the United States Postal Service (USPS) filed a response to the Commission's Order extending the deadline for comments to the USPS Notice of Price Adjustment in this docket. In the Order the Commission extended the comment deadline three days from May 6, 2013 to May 9, 2013 to allow interested parties more time to review the USPS responses to Chairman's Information Request No. 1. USPS stated that its response will be extensive and asked the Commission to extend the comment deadline further to May 17, 2013. The National Association of Presort Mailers, the Association for Mail Electronic Enhancement, and the National Newspaper Association, the Major Mailers Association, the National Postal Policy Council, and IDEAlliance (Joint Commenters) support the USPS request.

The USPS notice potentially raises significant questions concerning credits, discounts and the price cap that may have effects far beyond this docket. To fully review and understand the USPS response to Chairman's Information Request No. 1 the Joint Commenters will need, at a minimum, the extra time that USPS has requested. If the Joint Commenters find they need additional time to comment on the extensive response, Joint Commenters may move for that additional time.

The Joint Commenters appreciate the Commission's consideration of this request.

Respectfully submitted,
